Synovium®
HORSE HEALTH

SYNOVIUM® MEGABOL

SYNOVIUM® MEGABOLis a professional 2-month muscle supplement with Gamma Oryzanol, a 100% natural extract from rice bran oil. Gamma Oryzanol is one of the group of sterols that occur in nature, which serve as a building block for the muscle. It promotes muscle development, physical well-being, muscle strength and to be able to deliver a physical (top) performance in sport.

Megabol has been developed for the horse that is in the build-up phase of the training. Megabol stimulates muscle cell growth / (fat-free) muscle mass and for more / stronger muscles / muscle building / muscle strength.
