SYNOVIUM[®] CLAY&COOL PERFORMANCE

CLAY&COOL PERFORMANCE has a natural formula to support hot and tired legs, providing a long-lasting effect. This product is based on widely spread scientific research and is supported by many equine veterinarians.

CONTAINS PER KG

Montmorillinites	373 g	Sodiumborate	30 g
Natural thyme oil	0,358 g	Aluminium silicate	72 g
Glycerine	24 g	Purified water	

DESCRIPTION

The cooling action of CLAY&COOL PERFORMANCE is ideal for use on hot tired legs. CLAY&COOL PERFORMANCE is ready to use, easy to apply and has a superior longer lasting formula, with no need to wrap or bandage, and is easy to wash off. CLAY&COOL PERFORMANCE should be used as part of the daily routine, to care for and help maintain trouble free legs.

USAGE

Routine use: Apply directly to stifles, fetlocks, shins and tendons after periods of training. Spread evenly about 6 mm thick. For more prolonged effect: Wrap with moistened brown paper and bandage. Repeat as necessary after 24 hours. To remove, hose off with water.

The ingredients of this product are not listed on the FEI Clean Sport prohibited substance database doping list. This product does not test positive. Please observe the applicable rules of your federation during competitions.

WARNING

Keep out of reach of children.
