

Synovium[®]
HORSE HEALTH

SYNOVIUM[®] GASTROSAFE

Synovium GASTROSAFE is an Award winning veterinary gut supplement to support normal gastric acidity and healthy digestion. GASTROSAFE could protect the stomach wall and supports the maintenance of normal acidity in the stomach. In addition, it stimulates the intestinal function. Hypersensitive stomachs are common in the current horse population. Horses fed GASTROSAFE for 6 weeks scored significantly better than those fed no GASTROSAFE. GASTROSAFE from Synovium is intended for daily feeding.

- Protects the stomach wall
- Good for normal stomach function
- Promotes digestion
