

Synovium®
HORSE HEALTH

SYNOVIUM® MYOCARE-E

MYOCARE-E SYNOVIUM® MYOCARE-E is an essential muscle supplement to support suppleness, muscle development, recovery and energy. Protects body cells (muscle cells) during exercise/sports with its Vitamin E and Selenium (3b811). Vitamin E and Selenium contribute to the neutralization of free radicals released during exercise and thus keep the muscles in a healthy condition. MYOCARE-E has a scientific basis and is available from many equine doctors. This product is a unique and natural formula of various food additives. Protects body cells (muscle cells) during training / sports with its Vitamin E and Selenium. Ensures "looseness" of the horse. Reduces problems of stiff or tight muscles and improves stamina.
