

Synovium®

HORSE HEALTH

SYNOVIUM® PREFIT

SYNOVIUM® PREFIT support good immune resistance and provides balanced essential vitamins and minerals. Natural energy recovery. Prefit can be used in periods of intensive training, sports performance and if extra attention is required for maintaining good resistance, for example during transport. Prefit contains a balanced composition with high-quality vitamins, minerals, trace elements and whey to make your horse feel optimally fit. This supplement can be used for a lack of vitamins in food. Good to use with heavy training, transport and, for example, seasonal changes.

INSTRUCTIONS FOR PROPER USE

As a supplement to a roughage-only diet:

Horses/Ponies: Maintenance: 15 grams, light to moderate work: 30 grams, medium to heavy work: 60 grams
